

ALLOTT (NIGERIA) LTD

..... Consulting Engineers

Ibeto Cement Terminal

Client: Ibeto Industries Ltd.
Location: Onne Port-harcourt
Project Size: 30 Million Naira + £38, 000
Date: September 2001

Allott (Nigeria) Ltd./ Becket Rankine Joint Venture planned and designed the onshore, marine and shore side facilities for the proposed Ibeto Cement Terminal. The project involved dredging to deepen the channels and use of the dredged soil for land reclamation. There was also the construction of an access road, construction of a jetty and berthing dolphins with shore side administration and support facilities.
