

# ALLOTT (NIGERIA) LTD

..... Consulting Engineers

## Road Works in Ogun State Design & Supervision Project.

**Client:** Ministry of Works Ogun State- Nigeria.

**Location:** Ogun State - Nigeria.

**Project Size:** £135 million

**Date:** 1979

The companies of Allott (Nigeria) Ltd. and Allott & Lomax in Manchester UK were appointed in 1978 by the Ogun State Government to provide consulting services for design and supervision of construction of roads in the state under the control of the Ministry of Works. The scheme involved 25 major urban and rural road contracts totalling 450km and costing approximately £135M.

The consultant's services consisted of providing the following aspects:

- Guard supervision of the works
- Survey and design of bridge structures and some of the state roads
- Ensuring strict adherence to technical specifications
- Providing advice to the client civil engineer, Ministry of Works, on all matters related to quality control, contract administration and financial Management.
